

Removable Parking Post FB (RPP FB) 900mm Galvanised or Galvanised & Colour

The Removable Parking Post is suitable for areas where occasional access is required. The post is typically locked in place over night and removed during the day. Additional ground sockets are available for storing the post in a convenient location when not in use. The lid has been adapted from a standard RPP to allow the use of FB padlocks.

The RPP FB is available in galvanised and galvanised and coated finish. The post is supplied without a padlock thus allowing the user to specify which FB padlock is required.

Description	Lift Weight (kg)	Weight (kg)
Galvanised - Removable	6kg	10kg
Galvanised & Black - Removable	6kg	10kg
Galvanised & Yellow - Removable	6kg	10kg
Galvanised & Colour - Removable	6kg	10kg
